

ACTS 5:12-16

SIGNS AND WONDERS

If you could have any super power what would it be?

After a year like 2020 I think being able to heal people would be awesome. What if you didn't even have to touch someone for them to be healed. Wouldn't it be cool if someone could be healed just by your shadow falling on to them? That is the power the Holy Spirit allows Peter to have in the Bible reading today. It's pretty incredible.

What's even more incredible is it was showing that although just a few got healed that day, actually God wants all of us to live a life with him that is full, with no pain or suffering. This promise is open for anyone who believes in God and chooses to follow Jesus.

If you could choose a **Spiritual gift (superpower given by God)**

what would it be?

Blanket Prayer

Sometimes life gets a bit tough. At these times it can be difficult to understand what God's doing especially when we feel sick or tired, or scared. Just like the people who were healed, we can trust that God wants the best for us.

We can trust in him.

Next time things get tough wrap yourself in a blanket, feel its warmth envelope you and pray to God asking him to be with you, notice how your feelings change as you pray.
