

# ACTS 4:32-36

## A GENEROUS COMMUNITY

This week is all about being generous and sharing what we have. We do this because we remember that everything we have has been given to us by God. He loved us first and we can show people our love in the ways we treat them and share with them.

### SHARING EVERYTHING?!

The First followers of Jesus shared everything they had.

Write below two things... The First is something that you have that would be easy to share... The Second something you love very much and would find it tough to share with other people.

Sharing is a little bit like this jar of hearts.

Sharing is opening up your Jar to give someone a little bit of your love.

The Bible reminds us that loving others is a task for everyone who wants to follow Jesus. Loving is not always soppy, its sometimes difficult and sometimes easy, but always worth doing.

#### SOMETHING EASY TO SHARE:

### SHARING ART CHALLENGE

With the people in you house make a piece of art. It could be a drawing, painting, collage.

Everyone adds their own parts to the picture (nothing that anyone adds is wrong), Remember you are working at creating something together.

Make sure you are sharing your space and paints/crayons as you work together.
