

# WHAT IS EASTER?

Easter is wonderful! It is the time of year when we celebrate God's love.

Easter is When we celebrate Jesus Christ's rising from the dead after His crucifixion which took place on what we call Good Friday.

Christ's return from death is called the Resurrection. Christ's tomb was empty three days after His death, which is commemorated on Good Friday. His followers saw Him and talked to Him after this. This all fulfills the promises God in the Bible to bring his people home and because of Jesus's sacrifice we can have the hope of a new life ,an everlasting life in Heaven.

That's pretty mega stuff. During your celebrations you might want to try out the Jelly bean pray to help you say thank-you and remember everything Jesus has done for us.
